Bachelors of Arts in English and History

University College Cork, Ireland (2001 - 2004)

- Graduated with 2nd class honors.

Career

English Program in Korea – Busan, Ireland

English Teacher (February 2010 – March 2018)

- Worked as an english teacher for both middle school and elementary school levels in the Korean public education system
- Classes were split between those where I co-taught with a Korean teacher, and others where I was the sole teacher in the classroom.
- Responsible for teaching the curriculum as laid out by the Korean educational department and creating materials to supplement those provided.
- Responsible for creating the curriculum for and carrying out additional English Camp classes during the Summer and Winter vacation periods.
- Was responsible for grading students' speaking abilities.
- Participated in a cultural awareness program where I would conduct classes relating to Irish culture for different schools.
